

Dear Parents and Guardians:

Fall is one of our favorite times of year at Audubon Preschool! Please enjoy all the special Halloween art work your kids will bring home and save the date for our Halloween Party!

**Pumpkins, bats, witches and ghouls....costumes, snacks, and preschoolers too!**

We **LOVE** Halloween at Audubon Preschool and we would love to share with our parents and guardians all of the Halloween fun we've created at school!

Parents and guardians are invited to join us for a special **Halloween Party at Audubon Preschool on Friday October 26th**. We will have an indoor Halloween parade if your child would like to come in costume that day! We will have special activities in each classroom and a snack following the parade.

**AM Session**

Students should report as scheduled at 8:20AM  
Parents/guardians should arrive at 10AM for the start of the parade

**PM Session**

Students should reports as scheduled at 11:50AM  
Parents/guardians should arrive at 1:15PM for the start of the parade

We would greatly appreciate it if parents/guardians would like to send in a special donation for our Halloween festivities. A sign up sheet with the items being requested can be found at: <https://www.signupgenius.com/findasignup>

Just search for a sign up created by **ldougherty@audubonschools.org**. Please note there are separate lists for the AM and PM sessions. An email regarding the donations will be sent out as the event gets closer!

**November Tuition is due on October 15th!**

If you have questions on how to make tuition payments, please reach out to Nurse Lauren.

The scariest thing about this time of year is the flu!

Please protect your family by getting vaccinated and washing hands often!

Please be aware that all preschoolers under the age of five years of age are required to receive the flu vaccine **by December 31, 2018**. Please submit proof of immunization to Nurse Lauren.

Health Screenings will begin in October!

Later this month, Nurse Lauren will see how much our students are growing! Each year, the school nurse checks height, weight, vision, hearing and dental for each student. Once the screenings are complete, a Health Report Card will be sent home with the results! Any further recommendations will be listed there as well. Please see Nurse Lauren with any questions.

Please excuse our appearance as our playground equipment is installed. We are looking forward to enhancing our side yard with new ways to play and learn!
