

"The Giving Tree"

'Tis the season for giving, and the Haviland Avenue School is ready for its annual decorating of THE GIVING TREE. We may be headed for a cold winter season. Those in need will appreciate the warmth of your generosity.

Please bring in *new* gloves, mittens, hats, scarves, and socks—any size—child or adult. Children will decorate our holiday tree with these items during the month of December. All items will eventually be donated for distribution to those in need.

*(Last day to bring items is Friday,
December 14th.)*

Thanks, in advance, for your generosity with this annual activity.

Mrs. McManis
