Dear Parents:

Welcome to our 37th year of providing before and after school child care for working parents to all residents of Audubon and Audubon Park.

Keys' is an organized program supervised by qualified adults, with years of experience in our After School Child Care Program.

Audubon and Audubon Park Children in Kindergarten through grade six are eligible to attend Keys at the school which they attend.

The children who participate in our KEYS program are very important to us. Because they are our responsibility, their welfare is our primary concern. Rules and regulations have been adopted and we request that you read the enclosed information. We further request that you adhere to the rules since failure to comply may result in dismissal from this program.

REGISTRATION FORMS

All children must be pre-registered. There is a \$25.00 fee per child per year. The registration form is a vital resource for our program.

The name, place of employment and employers telephone number, home number/cell number of each parent/guardian is imperative. Employment may be verified by Director.

Please consider carefully the name of an Emergency person to call in the event either parent is unattainable. The emergency person should be someone you deem responsible to help during your absence in the event of any unforeseen situation. You may have more than one emergency person listed if you wish.

Also on the registration form is the general information of the child – His/Her name, address, home telephone number, birth date and grade level.

Please advise on the form if any special conditions should be known to the supervisor, such as: diabetes, epilepsy, heart condition, food allergies, asthma, etc. but please note that there is no nurse on duty during Keys and caregivers cannot administer any medications, including inhalers. If your child does not have permission from his/her doctor to self administer inhaler, we can set up a plan of action so that the inhaler will be administered to your child right before they attend Keys by school Nurse. Please make notation on reg. card if this is the course of action necessary.

On the reverse side of the registration form designate only those ADULTS 18 years or older, that you give permission to pick up your child/children from the KEYS program. Also include their telephone/cell number.

NO ONE WILL BE PERMITTED TO LEAVE WITH YOUR CHILD UNLESS YOU HAVE DESIGNATED IN WRITING THE NAMES OF THESE ADULTS. THEY MUST PROVIDE A PICTURE ID WHEN PICKING UP YOUR CHILDREN.

Please note: Should your telephone number at home or at work change, or any other important information change during the school year be sure this change is noted on the registration form

Keys activities vary according to the seasons and the availability of outside playtime as well as scheduling of the gym. Children usually begin the afternoon session with eating a snack that they have brought from home. **KEYS DOES NOT SUPPLY SNACKS.**

Free playtime is encouraged in small group activities when inside. Children are expected to clean up trash and put away games and other materials they have used when finished playing or before leaving

Please be sure the child’s name is clearly written on any games or items they may bring from home Keys is not responsible for any items that may be left, broken or stolen.
